9 April 1957

TO: Contracting Officer

SUBJECT: Ground Support Equipment for "C" Configuration

Reference is made to Hycon C.C.P. #9, subject as above, dated 20 March 1957, and your letter to Hycon dated 1 April 1957, regarding same subject.

This letter is to confirm previous verbal authorization to procure the quantities of equipment as set forth in your 1 April 1957 letter to Hycon.

Further, request you obtain a proposed delivery schedule from Hycon for this equipment. This schedule should represent their best estimates and not some of their usual wishful thinking.
